MESSAGE

J. Leonard Harding Jr. & Darlene Harding

Senior Pastor & First Lady

Praise the Lord Christ Tabernacle Family!!

We are well into the New Year! 2022 became a time for us to be " A Part of the Plan"! In 2022 God had us on the move in all of our lives spiritually and naturally. We saw record breaking involvement! Now, it is through being "A Part of God's Plan" that we can now "Go Beyond" or excel in 2023!

Lady Harding and I would like to personally thank everyone of you for being faithful in your giving. Whether it was in giving monetarily or of your time and resources we thank you! It is the giving of people like you all that we are reminded of the unique privilege of being involved in this ministry. We believe God is a miracle-working God, and the same Christ who took money out of the mouth of a fish could also fill our offering every Sunday if He chose to! He will also increase our ministries, connect groups, volunteers etc.

So with this in mind, let us stir up the gifts God has blessed us with and "Go Beyond" or excel! Go Beyond in praise and worship! Go Beyond in giving! Go Beyond in church attendance! Go Beyond in your ministry! Go Beyond or excel in everything God has laid on our hearts to do!

Love in Christ! Pastor Leonard & Lady Darlene Harding

VISION

To reach our community and expand the kingdom of God seeing people saved, serving, empowered, healed, and set free.

MISSION

To connect people to and through Jesus Christ by providing an environment that encourages them to live, love, serve, and give according to His gospel. In 2022 our Hospitality Team requested a slogan that adequately fit the church. The desire was for the slogan to be authentic and correctly describe CT. After some deliberation a phrase came to mind. It completely encompassed the many comments about how warm, friendly and inviting CT members make the experience for guests and attender, and thus "Love Lives Here" was coined. God is Love and our desire for everyone to see Him shining through everything we do at CT is evident. How will you show Love in 2023?

WHAT'S YOUR CT STORY?

CHARLES LENZY & FAMILY

At the beginning of 2018, my family was blessed to find a church home at Christ Tabernacle. Since then, it has been a most uplifting experience. Inspired and enlightened, my spiritual growth has been enhanced by not only the preaching of the word, but by the teaching of the word. There can be no doubt that education and study are important blocks in the cornerstone of Christ Tabernacle. Praise, worship, and fellowship are the pillars that keep me grounded in faith and moving forward both mentally and emotionally in life's journey.

Helping me on that journey are the Praise Team and Musicians, Connect Groups and Bible Study, CT Online and Outreach Ministries. Christ Tabernacle truly inspires yet never wavers in the goal of bringing more souls to Christ.

During the most critical times of my life, Christ Tabernacle has been a beacon and a blessing. I believe God led me to this church so that through the powerful prayers of my brothers and sisters in Christ, He could pour out His Grace and Mercy. My family and I are grateful for this church and the leadership. May God continue to pour out his blessings.

NATE HOWELL & FAMILY

We, the Howell Family, attended a couple of services in 2016, but after a 6 week family fast, decided to officially join CTAC in 2017. Since then, we've had many wonderful experiences and, also seen tremendous growth within our family. Kid City & Relentless were the programs that were huge factors in attracting us, but now it's CT Teens, Majestic Generation and the CT Worship and Media teams that help sustain us. In 2019, we celebrated our 20 year anniversary by renewing our vows amongst a small group of family and friends. The Christ Tabernacle family was there for us in more ways than one.

During our most trying time of being sick in the hospital with Covid complications, CT was there, helping and championing services like the Meal Train coupled with prayer and fasting. I would also like to mention that when Pastor Harding was starting to get sick, he came to service, sought after me to check on how I was holding up during that time. He cried and prayed with me that day, and it was what I needed and on time. There have been many changes in the six years we've been a part of the CT Family, but the amount of love and support never has.
